PROPOSAL AND CONTRACT INSTRUCTIONS- FORM 944

- 1 The proposal must be typewritten or printed.
- 2 If more than one proposal on any project is submitted by an individual, firm or partnership, corporation or association under the same or different names, only one proposal, the lowest, will be considered.
- 3 Description of work -
 - A. If additional space is needed, insert appropriately numbered attachment and note "Continued on attached work sheets"
- 4 Part A of Page 1 to be completed by municipality. Part B of Page 1 to be completed by contractor. Schedule of Prices - Column #1 (Item), #2 (Approximate Quantities), #3 (Unit, i.e., ton, square yard, linear foot, etc.) and #4 (Description, i.e., bituminous materials - 9.5 mm S & L, 12.5 mm Wearing, 25.0 mm Base Course, etc.) must be filled in by the municipality to insure equitable bidding. Columns #5 (Unit Price), #6 (Total) and total amount of bid, must be filled in by the contractor. If more space is needed, add note at bottom of the page, "Continued on Attachment No. 1-A"; and add additional sheet designated as Attachment No. 1-A, 1-B, etc. Repeat for each additional sheet required. As required by Publication 408 (current edition), Section 102.06(e), each bidder must submit a completed Form D-7126, Anti-C Affidavit (included in this Form MS-944), with its bid proposal.
- 5 If liquidated damages are to be assessed, add the following sentence to Part A #2: "If all work is not completed on time, liquidated damages will be assessed at the rate of \$870.00 per additional working day." (OR "... as set forth in the attached schedule").
- 6 Only the successful bidder is obligated to provide payment and performance bonds. These bonds shall conform to the requirements of the relevant municipal code or charter and the Public Works Contractors' Bond Law of 1967, Act of December 20, 1967, P.L. 869, No.385, 8 P.S. §§ 191—202. Bond forms are included in this Form MS-944 as Attachments 2 (performance bond) and 3 (payment bond). The successful bidder must submit the bonds and Workman's Compensation Act Affidavit, Attachment 4, within 20 days of the contract award. Failure to submit the bonds shall constitute grounds to cancel the contract.
- 7 If the estimated cost of a contract for "public works," as this term is defined in the Pennsylvania Prevailing Wage Act, Act of August 15, 1961, P.L. 987, No. 442, as amended, 43 P.S. §§ 165-1—165-17, exceeds \$100,000.00 and the contract is paid for whole or part out of the funds of the municipality, the municipality shall take the following actions: (1) Determine the prevailing minimum wage rates from the Department of Labor and Industry, Bureau of Labor Law Compliance. (2) Indicate in the advertisement issued for the purpose of securing bids for the contract that prevailing wage rates shall be paid on the project. (3) Specify the prevailing minimum wage rates in the bid proposals for the contract.

On projects financed partly with federal funds, if the project cost exceeds \$2,000.00 and 25% or more of the funding comes from federal funds, the Davis-Bacon Act, 40 U.S.C. §§ 3141—3145, applies. Here again, it is the responsibility of the municipality to obtain the Davis-Bacon wage rates from the United States Department of Labor, Wage and Hour Division, which has offices in Philadelphia, Pittsburgh and Wilkes-Barre; include them in the proposal; and note the fact in the advertisement. If both acts are applicable, the Davis-Bacon Act preempts the Pennsylvania Prevailing Wage Act and applies to the entire project, not just the federally-funded components.
- 8 An ESCALATOR CLAUSE is optional; if used, it must be included in the proposal prepared by the municipality. An escalator clause may not be inserted by the contractor.
